WHO WE ARE

A Foshan export partner for the whole home

YUNBAI HOME is based in Foshan, Guangdong – the heart of China's building-materials and furniture industry. We started as a cabinetry maker and grew into a full-category export house covering kitchens, wardrobes, doors, windows, tiles, stone, flooring, bathrooms, lighting and soft furnishings. Our clients range from individual homeowners and local builders to developers and hospitality buyers across Africa, the Middle East, Europe, Australia and Southeast Asia.

15+

Years of export experience

14

Product categories in one order

60+

Destination countries

500+

HOW WE WORK

One partner from drawing to delivery

01

Design & BOQ review

Send floor plans or a bill of quantities. Our designers plan each space and match materials to your budget.

02

Material selection

Choose in our Foshan showroom or from digital catalogs. Finish samples ship by courier worldwide.

03

Production & QC

Own production lines plus audited partner factories, with pre-shipment inspection on every batch.

04

Export & delivery

Full documentation, LCL/FCL sea freight, DDP where available and remote installation guidance.

For homeowners & builders

Whole-house packages travel together in one container, with installation guidance for your local team.

- Mixed-category consolidation by room
- Custom sizes from your floor plans
- Finish samples shipped before production
- Video-call support during installation

For commercial & project buyers

Standardized supply for multi-unit developments, hotels and offices, with BOQ takeoff and site delivery.

- BOQ review and value-engineering options
- Consistent batches across hundreds of units
- Unit-labeled packing for site distribution
- DDP delivery to selected destinations

Foshan multi-zone showroom – kitchens, bathrooms, doors, tiles and finishes in one visit

Cabinetry production line – CNC cutting, edge banding and QC before packing

01

Kitchen Cabinets

Made-to-measure kitchens built from your drawings, with complete hardware, countertops and accessories.

- Carcass: plywood / moisture-resistant board
- Finishes: lacquer, melamine, PET, acrylic, solid wood
- Tops: quartz, marble, sintered stone
- Hinged, sliding or lift-up doors
- Soft-close hinges & undermount slides
- Wall units, tall units & islands

02

Wardrobes & Storage

Floor-to-ceiling storage systems for bedrooms, entryways and living spaces, flat in every corner.

- Hinged, sliding or glass doors
- TV / entry / storage cabinets
- LED lighting and interior organizers
- Walk-in closet systems
- Shoe cabinets & sideboards
- Mirrored & fluted panel options

Finish samples before production

03

Doors & Windows

Thermal-break aluminum systems and interior doors, engineered for villas, apartments and hotels.

- Thermal-break aluminum profiles
- Single / double glazing options
- Locks, fly screens & hardware included
- Casement, sliding & folding systems
- Entry doors, wood interior doors
- Wind-load & water-tightness tested

04

Tiles, Stone & Flooring

From 600×1200 porcelain to large-format slabs, plus natural stone and wood flooring.

- Porcelain & ceramic tiles
- Large-format sintered slabs
- Engineered & solid wood flooring
- Marble-look & terrazzo finishes
- Marble, quartz, granite
- Laminate & SPC flooring

Project quantity takeoff

05

Bathrooms & Sanitary Ware

Complete bathroom sets – cabinets, ceramics, brassware and shower enclosures in one consistent style.

- Vanities, cabinets & mirrors
- Toilets & bidets
- Faucets & shower systems
- Bathtubs & glass enclosures
- Accessible & smart options
- Matched sets for multi-unit projects

06

Lighting & Soft Furnishing

The final layer that finishes every room – lighting, window treatments, furniture and décor.

- Pendants, downlights, chandeliers
- Wallpaper & paint
- Curtains, blinds & tracks
- Furniture & rugs
- Bedding & tabletop décor
- Hotel-grade FF&E packages

Project packing

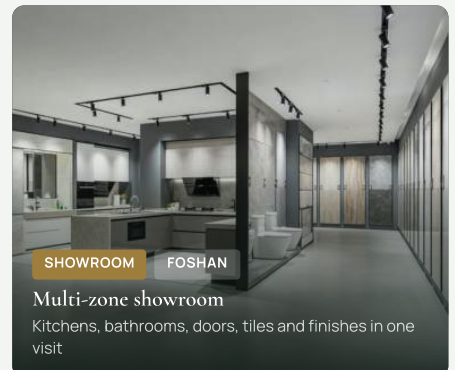

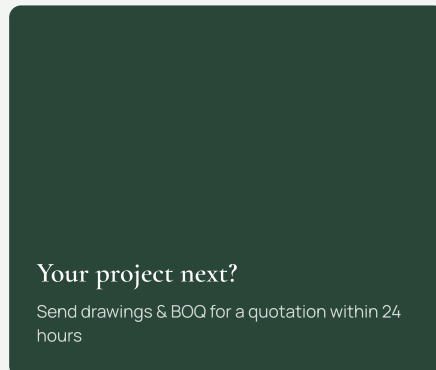

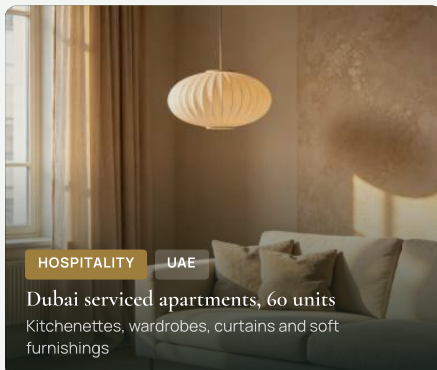

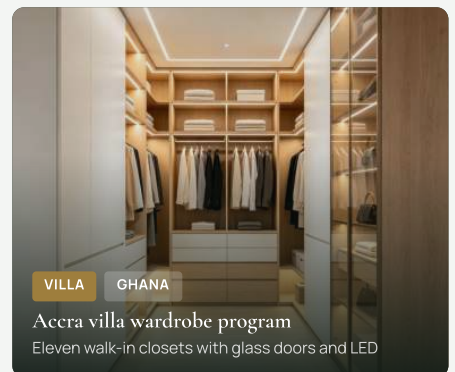

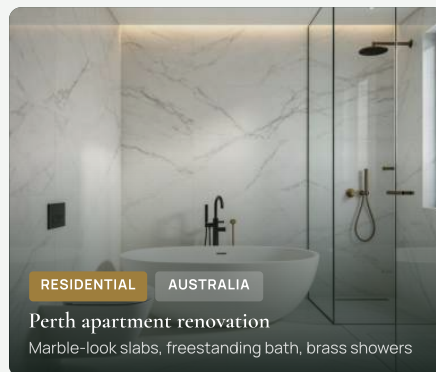

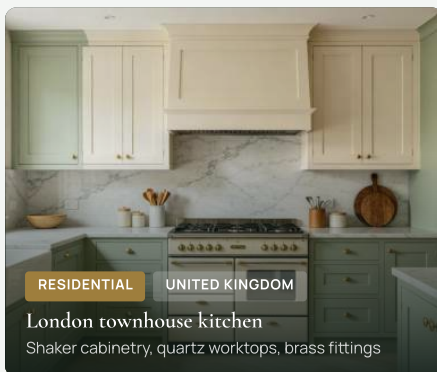

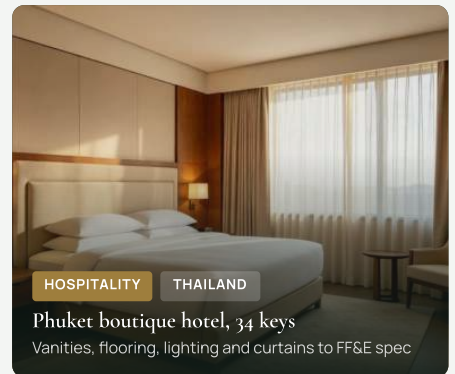

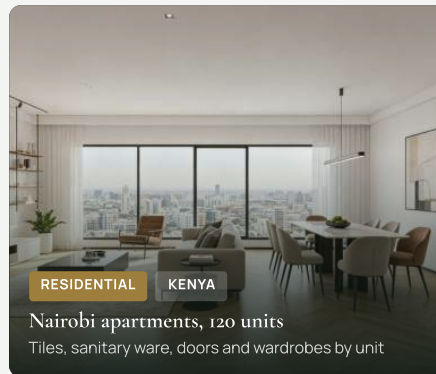

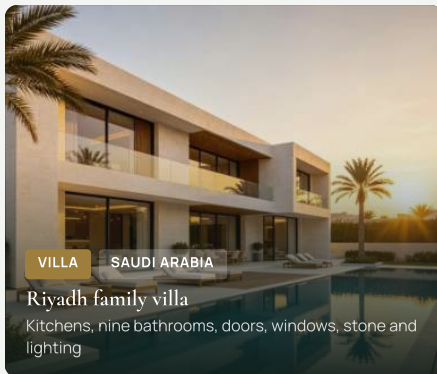

Cartons are labeled by unit and room for multi-unit developments and job sites — your site team knows exactly where every panel goes.

Lead time

Custom cabinets: 25–40 days after drawing confirmation. In-stock materials: 7–15 days. Sea freight depends on your destination port.

DELIVERED WORLDWIDE

Homes and projects across four continents

Project figures shown are representative of our supply scope. Detailed case dossiers, packing photos and inspection reports are shared with serious buyers under NDA.

Ready to ship to regulated markets

We support buyers with the documents their projects require. Exact coverage depends on the product and destination and is confirmed before order.

CE / DoP for construction products
